**different
backgrounds,**

**personal
preferences**

you are what you eat
you are what you photograph

**started from a simple activity,
documentation**

**“to collect photographs
is to collect the world”**

- Susan Sontag

in the beginning...

**to photograph
what we eat**

but later...

to eat
what we photograph

new recipes

unusual food

food variations

food setting, make concept

**“ a photograph is not an accident
-- it is a concept”**

- Ansel Adams

learn new techniques (do-it-yourself)

develop photography skills
